# ABOUT US

NOTQIN Holding Company is one of Saudi Arabia's progressive and dynamic construction firms, recognized for its expertise and excellence across a wide range of services including Civil Construction, Asphalt Pavement Works, Marine Surveying, Fabrication, Resource Development, and Industrial Projects.

Formerly known as Path of Leadership Co. (POLC), our company has evolved into a trusted name in civil works, industrial construction, and trading. Since our establishment in 2021 we have consistently delivered high-quality, innovative, and sustainable solutions tailored to meet the specific needs of our clients across diverse sectors.

Our strength lies in our multidisciplinary team of experienced professionals, advanced technologies, and an integrated approach to project execution—from initial planning through to final delivery. At NOTQIN, we are committed to the highest standards of safety quality, and environmental responsibility. Every project we undertake is guided by our core values of excellence, integrity, and reliability.

Whether developing infrastructure, supporting industrial growth, or contributing to national development, NOTQIN Holding Company remains dedicated to building a better tomorrow—today.

## CEO MESSAGE

At NOTQIN Holding Company, we firmly believe that ethical practices are the foundation of our identity and the essence of everything we stand for. Our commitment to ethical values shines through in every interaction with our employees, clients suppliers, and communities. We have designed our business model to seamlessly integrate our core disciplines, enabling us to deliver comprehensive project solutions across our selected market areas.

We proudly embrace diverse talents, skills and backgrounds at NOTQIN. Together, we make a meaningful impact, ensuring that each project we undertake becomes a benchmark of excellence within the country. Whether crafting a soaring high-rise, constructing multiple residential villas, building state-of-the-art bridges or developing extensive roads and power generation projects, NOTQIN employs the latest innovations, skills, and technologies to achieve outstanding results.

We are committed to fostering long-lasting business relationships with our clients, as each is invaluable. Our partnerships are grounded in trust and integrity, allowing us to provide exceptional services and deliver nothing short of excellence. I take immense pride in our dedicated and ambitious team of professionals at NOTQIN Company.

We are grateful to our clients for their trust in us, and we assure you that we will continue to 'outperform targets' while delivering unparalleled quality and innovative solutions.

& INNOVATION SOLUTIONS**

## OUR VISION

At NOTQIN Holding Company, we are driven by a bold vision to cultivate an exceptional internal culture and maintain our status as a trusted leader in the construction industry. We strive to be the employer of choice, a reliable contractor, and an engaged community partner.

Our commitment is to build a lasting legacy characterized by excellence, strong leadership, value, and top-quality professionalism. We are equally dedicated to corporate social responsibility, ensuring that our impact extends beyond our projects and contributes positively to the communities we serve.

## OUR MISSION

NOTQIN Holding Company is dedicated to enhancing our legacy of integrity, excellence, experience, professionalism, and leadership as the nation's foremost construction organization. Guided by our core values, we actively elevate the quality of our work and services, consistently aim to exceed client expectations, and maintain an unwavering commitment to the highest ethical standards.

## QUALITY

At NOTQIN Holding Company, we live by the principle of "Building it right the first time." Our quality management program, led by our QHSE Construction Operations Manager, is meticulously designed and continuously improved to ensure excellence. This commitment is clear to our employees, clients, design partners, and trade contractors. With a focus on continuous improvement and attention to detail, we strive to exceed performance targets and deliver the safest, highest-quality outcomes in every project, ensuring client satisfaction at every stage.

## HEALTH

NOTQIN Holding Company is dedicated to fostering a healthy workforce and mitigating workplace health risks. Beyond providing health-related employment benefits, we offer robust support programs and access to resources to promote well-being, including health fairs, special presentations, and other internal communications.

## ENVIRONMENT

Driven by a strong set of environmental principles, NOTQIN Holding Company is dedicated to minimizing our ecological footprint. We actively invest in technologies that reduce dependence on non-renewable resources, while our Research & Development team continuously seeks ways to lessen environmental impact through innovation and improved waste management systems. We are committed to safeguarding our environment and upholding our responsibility to the land on which we work.

## SAFETY

Our people are our greatest asset, and their safety is our top priority. NOTQIN Holding Company is committed to maintaining a safe, healthy environment both on and off the job. With a shared goal of "ZERO injuries, ZERO incidents," we equip our employees with the necessary tools, training, and best practices. Our safety commitment extends beyond job sites and offices into the community, where we promote a culture of safety for everyone. Monthly safety inspections across all sites and offices reinforce our commitment to safe working conditions.
